

Deco Pipe DecoPipe Deco Pipe

DecoPipe ist wie Haute Couture für Ihre Lampen: ein edler Satinglaszylinder schmiegt sich elegant um den Leuchtkörper und sorgt für garantiert blendfreies, weiches Licht. Macht jede Lichtquelle zu einem Designobjekt.

C'est la Haute Couture du luminaire : un cylindre satiné très design, dispensant une lumière douce non éblouissante.

The DecoPipe bulb is haute couture for your lamps: A noble satin glass cylinder sweeps elegantly around the lighting source and ensures non-glare, soft light. Turns every light into a design object.
